

PROCEDURE
Digital working space (E.N .T)
and UDA PRO

How to activate your university e-mail?

1. Web site : www.u-clermont1.fr
2. E.N.T.
3. Connection (Above on the right)
4. Obtain your identifier and your account
5. Follow the procedure

You have the possibility of redirecting your university e-mail box on your e-mail box personal.

How to create your UDAPro account ?

1. Web site : www.udapro.fr
2. Connect with your university e-mail address and your password
3. Create your profile
4. Join one or several wished communities (ex: Doctoral School of the economics, legal political and the management).

The Community of the ED has to become throughout your doctoral studies a natural place of information, exchange and dialogue around the formation by the research and for the research within the doctoral School.

She also wants a useful and necessary link with the doctors of the doctoral School, the academic world and the socioeconomic actors in Auvergne, in France and abroad. The professional future of the PhD students is a priority for the doctoral School.
